OBJECTIVE

Computer Science student at The Egyptian E-Learning University (EELU) with a passion for Graphic Design. Skilled in Adobe Photoshop and Canva, with experience creating branding, social media, and advertising designs. Seeking a Graphic Design Internship to further develop my creative and technical skills.

EDUCATION

Bachelor of Computer and Information Sciences,
Learning University (EELU), Sohag

Expected 2026

Graphic Camp

2025

Completed a Graphic Design training program focused on Adobe Photoshop, social media design, poster design, typography, and branding.

PROJECTS

Bugatti Chiron Pur Sport Poster — Adobe Illustrator

- Designed a luxury automotive poster using bold typography, a car cutout, and a reflection effect.

Iced Coffee Poster — Adobe Illustrator

- Created a split-layout poster with repeated typography, product cutout, and chocolate splash effects.

Denim & Leather Bag Ad Concept — Adobe Illustrator

- Designed a product ad concept with a diagonal split layout, custom textures, and stitching details.

Mickey Accessories & Makeup Branding — Adobe Photoshop

- Developed a brand identity with custom lettering and line-art illustration.
